

Jenny Horton

Having been on the Management Committee for the past year I have seen this project develop. I have lived in Thornton since birth and believe that we can rebuild the community spirit through running a successful Brontë Birthplace experience.

My background is accountancy and also community development. This year I have been book-keeping, banking, keeping control of grant spending etc, alongside supporting other members of the committee in their areas of work.

Although the last few months have had their challenges, the vision of the building is now coming into view and is really exciting. I am therefore standing for re-election this year and look forward to the year ahead.
